Featured Pen DELTA MAYA Limited Edition

Limited to only 800 pieces, the 8th edition of Delta's Indigenous People series honors the Mayan civilization that began around 1,500 B.C. in southern Mexico and northern Central America. Regarded as one of the most sophisticated of ancient cultures, the Mayans built magnificent cities and were advanced in astronomy, math and languages. The solid sterling silver and vermeil accents include bands that are decorated with motifs from Mayan pottery. The clip represents a clay flute from the Mayan era called a Chililihtli. A beautiful Mayan calendar is depicted on the pen's crown. The fountain pen nib is 18k Gold.
