Featured Pen PEN OF THE YEAR 2011 RUSSIAN JADE

Bringer of luck, symbol of power, and elixir of immortality – whatever the legend, there is no denying that jade has always been shrouded in an ancient aura. From the beginning of mankind, various cultures created fascinating selections of jade objects. Its unique symbolism and creative energy naturally predestined the gemstone for a special role in celebrating Faber-Castell's 250th anniversary. Eight segments of jade in the pen symbolize the eight generations that have made their mark on the family firm to date. In reference to the year when the company was founded, this exclusive edition is limited to only 1,761 pens.
