

Pelikan Edelstein Pen Ink Bottle

This year, Pelikan brings sparkling new life into the world of inks. Their newest ink collection has artfully combined a series of vibrant colors to create an unparalleled performance of beauty and splendor. The brilliant colors offered are comprised of a special ingredient that ensures smooth writing and high-performance care for fountain pens. The word Edelstein – pronounced ‘EY-dell-shtine’ – is translated from the German word for “gemstone”. Each unique ink offered corresponds to the beautiful hue of a precious gem.
