

## Waterman Hemisphere Agnes Fountain Pen –Special Edition

The embodiment of subtle sophistication with a clean, contemporary design, the Hemisphere Agnes fountain pen is the pinnacle of finely crafted pens. Refined details frame a practical slim shape give it a kind of ‘must have’ style, polish and elegance. Waterman will also be a sponsor for Agnes B. Endowment Fund. Activities such as the Point d’Ironie will be sponsored with a portion of the proceeds from this pen.

## Waterman Perspective Pens

The Perspective celebrates the dynamic purity of modern architecture with their latest pen. Finely etched graphic lines echo the crisp juxtaposition of steel and glass in an ultramodern urban landscape to give the perfect vision of creative freedom. The elegant expression of contemporary and economic design is the core value in this line from Waterman.
