Laban[®]

The diamond, a rare and brilliant crystal formed by nature, where time, extreme pressure and heat combine to create the hardest substance on earth. Diamonds seem to perform magic with the light giving them a sparkle unmatched by other gems and making them the delight of royalty around the globe. Laban has paired the wondrous diamond with the lustrous silver sheen of Rhodium to create their newest triumph:

"The Laban Diamond Pen"

With special setting of the diamonds combining simplicity and elegance of our turned pattern:

The "Totality" has 3736 pieces diamonds on pen's body.

The "Helix" has 720 pieces diamonds on pen's body.

Both pens are "Limited Edition".

We hereby certify that we have examined the following listed item : DMB-F300-2

Diamond Checkered Board Pen

#DMB-F300-10

Laban is pleased to introduce its' latest Diamond pen design using an Art Deco pattern that shows the symmetric balance of this checkered board pattern. A beautiful Platinum plating is generously layered over a hearty stainless steel body.

The pattern is achieved with over 1600 single cut SI Diamonds with 1083 pieces in the 1.0mm size and 524 pieces in the .9mm size. A classic pairing of Platinum and Diamonds from Laban pen Company

Laban Diamond Series Leopard Pen

#DMB-F300-7

Showcasing nearly three thousand individually cut precious stones, both diamonds and sapphires, the Laban Diamond Leopard pen, echoes their spotted pattern. This pen uses stones sized at 1.10mm, including 1766 individual diamond cut Yellow Sapphires with 803 full cut Brown Diamonds and 369 full cut Black Diamonds with Platinum plated trim.

Laban Diamond Series Black Python Pen

#DMB-F300-8

Some two thousand nine hundred thirty eight individually cut diamonds in white and black make up the Laban Diamond Black Python pen. A mythical snake feared for its power and strength. This design uses stones sized at 1.10mm and includes 834 single cut White Diamonds and 2104 full cut Black Diamonds with Platinum plated trim.

Laban Diamond Series Carpet Pen

#DMB-F300-9

Showcasing nearly three thousand individually cut precious stones, both diamonds and sapphires, the Laban Diamond Carpet pen, weave into beautiful lines. This pen uses stones sized at 1.10mm, including 2673 individual diamond cut Sapphires with 265 full cut white Diamonds with Platinum plated trim.

Laban®

The Exquisite Laban Diamond Series

The Diamond Grid (DMB-R300-2B):

Each pen accented with 188 SI single-cut 1.mm. brilliant diamonds.

Total weight .846 Carats each

The Diamond Storm (DMB-F300-4B):

Each pen is accented with 216 SI single-cut 1.mm. brilliant diamonds.

Total weight .972 Carats each

Each meticulous design is produced on a solid stainless steel rod and finished in black by Ionic Plating complimented with Rhodium trim

Laban updates a pair of their finest pens making them a part of the new TI-916 series.

Here space age Titanium replaces steel without sacrificing strength, at just over half the weight! Both have diamond encrusted designs and a lasting Rhodium finish over an initial Gold Ion Plating. Lightweight and comfortable for your writing pleasure.

Laban[®]

Ti-Helix
The classic diamond pattern using 784
1.0mm single cut SI-Class diamonds

Vinifera Pen

Laban announces their latest artist creation, Vinifera Pen. The high relief overlay displays luscious grapes ripening on the vine in .925 Sterling silver! From antiquity clustered grapes hanging from the vine remain a sign of both good times and hard work well rewarded.

This pen is available with your choice of antique silver or platinum plating over sterling silver in either rollerball or smooth writing fountain pen.

Laban®

Quality Assurance from Laban

Laban is committed to the manufacture and worldwide distribution of Laban pens and Jewellery pens that are of a singular high quality. Laban writing instruments are of a good value and are designed for a lifetime of use and writing pleasure. To that goal, Laban has invested in top quality materials, the latest technology for its manufacturing processes, coupling these with Old World Craftsmanship and stringent quality control. Laban proudly uses fountain pen nibs from Peter Bock AG of Heidelberg Germany, the premier nib manufacturer in the world. The high quality acrylic resins, brass and precious metals with Laban's artistic flare and artisan care, are fashioned into the striking designs you see in today's Laban writing instrument lines.
