

## Diamond Checkered Board Pen

#DMB-F300-10

Laban is pleased to introduce its' latest Diamond pen design using an Art Deco pattern that shows the symmetric balance of this checkered board pattern. A beautiful Platinum plating is generously layered over a hearty stainless steel body.

The pattern is achieved with over 1600 single cut SI Diamonds with 1083 pieces in the 1.0mm size and 524 pieces in the .9mm size. A classic pairing of Platinum and Diamonds from Laban pen Company

## Laban Diamond Series Leopard Pen

#DMB-F300-7

Showcasing nearly three thousand individually cut precious stones, both diamonds and sapphires, the Laban Diamond Leopard pen, echoes their spotted pattern. This pen uses stones sized at 1.10mm, including 1766 individual diamond cut Yellow Sapphires with 803 full cut Brown Diamonds and 369 full cut Black Diamonds with Platinum plated trim.

## Laban Diamond Series Black Python Pen

#DMB-F300-8

Some two thousand nine hundred thirty eight individually cut diamonds in white and black make up the Laban Diamond Black Python pen. A mythical snake feared for its power and strength. This design uses stones sized at 1.10mm and includes 834 single cut White Diamonds and 2104 full cut Black Diamonds with Platinum plated trim.

## Laban Diamond Series Carpet Pen
